

Eddie Crochet

Singer-songwriter and model Eddie Crochet has a style that has evolved considerably since his days as lead vocalist of Post Society. With his penetrating lyrics, the former punk rocker now motivates and inspires people from all walks of life. The beauty and richness of his voice and lyrics are surpassed only by his physically captivating presence. His is a natural, confident, unpretentious attitude, a mesmerizing presence that holds you visually in his magnetic grasp.

As when he was with his punk rock band, Eddie still packs enormous energy into all his performing as a solo artist. Yet, it is more, much more, than energy that he brings to his music. It is power in his passion. He evokes the soul of a folk singer, the potency of a lead singer in a punk band, and the passionate serenading of a guitar-wielding balladeer. His is a rich and moving voice.

The song crafter, singer and model from Austin, Texas, brings his southern roots and constantly varying eclectic taste in music into his ever-expanding musical act. Among his array of influences are George Ezra, Jake Bugg, James Bay, Tom Waits, Possessed (by Paul James), Chuck Ragan, and Man Man.

Eddie spans multiple genres – but “indie” and “alternative rock” only scratch the surface of the breadth of his singing and songwriting talent. Just listen to “Roses We Catch” from his debut EP – like a breathtakingly moving serenade, it captures a side of his personality that brings forth the true strength, confidence, and energy of his unique vocal style.

Eddie has recently signed with Drei Productions, which has opened new doors for multiple endeavors, including his debut EP. Working with renowned producer AJ Vallejo, Eddie has refined his sound beginning with his debut single, "Songs," which deals with how the listener interprets music and lyrics.

Truly the songs of Eddie Crochet, with his spellbinding voice, will penetrate deep into the listener's soul.
